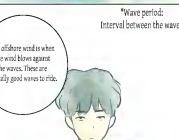
# The Girl who Walks the Waves

Story: Ha Nau Art: Go Ara Help: Jamongja

## Episode 7: Wave Chart



*Wave period:
Interval between the waves.

The offshore wind is when the wind blows against the waves. These are typically good waves to ride.
The onshore is when the wind blows with the waves. Waves during the onshore wind tend to be choppy, or dirty.

But the wind is onshore, so the waves could also be choppy.

When beginners try to ride on days like these, they end up drinking more water than riding waves

When the waves are too big, the currents can be dangerous.

It's important to understand the waves, so you can surf on days that match your skills.

Waves that match my skills...

Do you want to try finding a good day to surf?

If you look at the chart for Sunday afternoon, the wind will be offshore and the wave interval will be 9 seconds
I think this'll be the most ideal time.

You don't have good balance and you're not very athletic. You're probably just dying. I'm curious: you think it's cool...

Why are you being so nice?
Huh?

It's hard for everyone at the beginning.
You should stop.

Sfx: Turn

Woo Joo

Sfx: Run

Sfx: Hug

*Shaka: A greeting used by Hawaiian surfers. It means hello, good, thank you, well done, it's okay, etc.

Sfx: Show

She: Heh Heh

Ugh! It's really heavy!!

Woah, what did you bring?

Today's special is flounder mugwort soup!
As expected, Camellia always has a new special when the owner's son arrives!

Hello?
We're here.

I met Daul and Woo Joo at the market.
She told me that she was making flounder mugwort soup, so I followed her

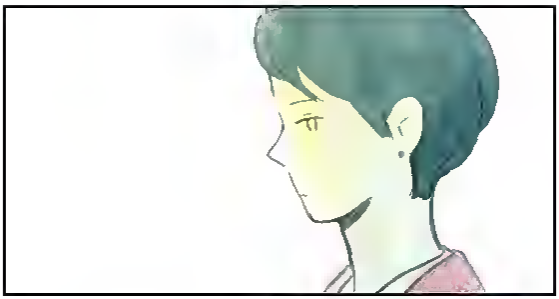
Yeom Soo, you're bigger now. When is the baby due?
September. I still have time.

But I won't be able to surf this summer.
Don't worry, you can ride as many as you want next year, Especially since I'm going to look after the baby.
She'll be down
Drink this.

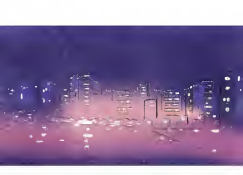
Tae Yong! Why don't you surf anymore? You never come to our meetings. Are you pregnant as well?
It's because we do everything together. We should also sign up for a prenatal class.
Yep!

Gim is doing a great job.
Yes, I'm taking good care of Yeon Soo and the baby.

Hyun Jae, you should get married and have children. Then you will become a real man.
Hyun Jae likes children, so I bet he'll be a very passionate parent.
Yeah, Hyun Jae can be a jerk at times but he's actually very kind.
I'm fine...



Don't worry,
I'll inform the parents...



I haven't checked my phone since that day...

3rd April. 21:27.

I called to tell you that while I was packing, I found two winter coats and some sweaters. But since your phone is off, I'm sending you a text. Do you want me to deliver the clothes to you?

Your phone is still off...
I dreamt about you...
Are you okay?

지!

Sfx. Put out

Don't worry. I'll inform the parents of the test result.

I have to go back to the office. I will be back late today, so eat dinner without me.

Hey...

Yeah?

Uhmm... Nevermind... We can talk later.
Uh. Okay.
Then I'm going.

...It's too late now.
